D.A.V. POLICE PUBLIC SCHOOL
KAITHAL - 136027

The purpose of education is to replace an empty mind with an open one.

School is a building which has four walls with tomorrow inside.

A woman with dark hair, wearing a red and beige saree, stands in front of a modern school building with yellow and white facades. She has her hands clasped in front of her.

Message

From the Desk of Headmistress

*"Educating the mind without educating the heart is no education at all."
-Aristotle*

DAV Police Public School, Kaithal is striving hard to provide quality education to the wards of Police as well as civilians since its inception in 2017. Our focus is not to create future citizens who work as Robots to earn money but the true human beings who are enriched with humane feelings & carry Indian values & culture in their hearts. We believe that values are caught not taught. The school vibrates with chanting of holy mantras of vedas, meditation & moral values. Our young minds adapt these values naturally which is reflected in their character. Simultaneously we make our students tech savvy & inculcate 21st century skills so that they can move ahead of the world. We encourage high academic standards & have high expectations from our students. Our sole aim is to instil passion for learning in our students & to make them think out of the box. We desire to create citizens who will make India "Vishav Guru" once again.
